

AXEGAZ T&T completes first LNG delivery from PANIGAGLIA terminal

27 September 2025 – Italy – **AXEGAZ T&T** is proud to announce the successful execution of its first liquefied natural gas (LNG) delivery from **the Italian terminal in Panigaglia**. This achievement represents a significant milestone in the company's ongoing expansion of LNG operations across Europe and reinforces its commitment to sustainable energy solutions.

The delivery, completed on Saturday, 27 September 2025, demonstrates Axegaz's operational excellence and ability to provide reliable and efficient LNG services to its customers. It highlights the company's strategic approach to supporting the transition to cleaner energy in the transport and industrial sectors.

"This first delivery from Panigaglia is a testament to the hard work, dedication, and expertise of our teams and partners," said Mr. **Alfonso MORRIELLO, AXEGAZ CEO**. *"It marks an important step forward in Axegaz's mission to deliver sustainable and environmentally responsible LNG solutions across Europe. We are proud to contribute to reducing emissions and promoting cleaner energy alternatives in the industry."*

AXEGAZ T&T continues to invest in infrastructure, technology, and partnerships to expand its LNG network, offering customers a safe, reliable, and environmentally friendly alternative to traditional fuels. With this milestone, the company strengthens its position as a leading player in the European LNG market, driving innovation and sustainability.

About AXEGAZ T&T:

AXEGAZ T&T is a key player in LNG transport and bunkering, committed to supporting the energy transition and providing sustainable solutions for the maritime industry.
